

Dear Students, Guardians and Staff

It is with pleasure and excitement that I write to you as the new Principal of Internationella Engelska Skolan Kista.

I am truly honoured and grateful for this opportunity. Taking on this role is a privilege, and I am deeply thankful for the trust placed in me. I have now completed my first week at IES Kista, and I am glad to see all students and staffs commitment. I am eager to contribute to, and further develop, the strengths of the school.

Looking forward to meet you all after the weekend.

Sincerely,
Mika Reunanen
Your Principal
